can be used to help us understand the world around us. I am grateful to the people who have shared their experiences and helped us to learn from them.

It is important to remember that we are all part of the same community. We need to work together to address the challenges we face. The BBC's commitment to providing high quality news and information is a key part of our mission. We are proud to have worked with you on this project and we look forward to continuing our partnership in 2006-8.

We are also pleased to have worked with you on this project. The BBC's commitment to providing high quality news and information is a key part of our mission. We are proud to have worked with you on this project and we look forward to continuing our partnership in 2006-8.

Reid was engaged as a broadcaster by the BBC between 2006 and 2008, first on Radio 2. He also worked for the BBC in other capacities, including as a presenter on the radio. The subject of the evidence is

the subject of

- (a) a copy of the contract between Reid and the BBC, including his engagement with the BBC, including whether he was to be employed as a presenter, executive producer or as a broadcaster, and
- (b) if any, a copy of the BBC's internal records that may relate to his activities.

The evidence in the present case is the evidence that Reid and the BBC have provided.
